1. Aims

Holy Cross Catholic MAC aims to ensure that all personal data collected about staff, pupils, parents, directors, Local Governing Body members, visitors and other individuals is collected, stored and processed in accordance with the General Data Protection Regulation (GDPR) and the Data Protection Act 2018 (DPA 2018).

This policy applies to all personal data, regardless of whether it is in paper or electronic format.

2. Legislation and guidance

This policy meets the requirements of the GDPR and the provisions of the DPA 2018. It is based on guidance published by the Information Commissioner's Office (ICO) on the GDPR and the ICO's code of practice for subject access requests.

It also reflects the ICO's code of practice for the use of surveillance cameras and personal information. In addition, this policy complies with our funding agreement and articles of association.

3. Scope

This policy applies to all records created, received or maintained by permanent and temporary staff of the school and pupils in the course of carrying out its functions. Also, by any agents, contractors, consultants or third parties acting on behalf of the school.

Records are defined as all documents which facilitate the business carried out by the school and which are thereafter retained to provide evidence of transactions or activities. These records may be created, received or maintained in hard copy or electrical format e.g. paper documents, scanned documents, emails, audio and video recordings, text messages, notes of telephone and spreadsheets, Word Documents, presentations, etc.

4. Responsibilities

- **MAC Board of Directors**

The MAC Board of Directors has a statutory responsibility to maintain the MAC's records and record-keeping systems in accordance with the regulatory framework of the school.

- **MAC Data Controller**

The Data Controller for the Holy Cross Catholic MAC will ensure compliance of all data protection policies across the organisation and report to the MAC Board of Directors.

- **School Headteacher**

School Headteachers should ensure that all staff receive training on data protection policies. Headteachers should be working together with Data Champions to ensure compliance.

- **The Data Champions in schools**

School Data Protection Leads will provide guidance on good records management practices within the school and will promote compliance with this policy so that information will be retrieved easily, appropriately and in a timely way. The Data

Champion will monitor compliance with this policy by ensuring that the 'Annual Review of School Records Checklist' is completed at least annually.

The Freedom of Information Act 2000 requires us to maintain a list of records which have been destroyed and who authorised their destruction.

When destroying either a substantial amount of information or information which is of a particularly sensitive or important nature, members of staff should record at least:
