ST. THOMAS MORE CATHOLIC PRIMARY SCHOOL

ADMISSION POLICY 2028/2029

St. Thomas More Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families and is part of Holy Cross Catholic Multi Academy Company. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by the Holy Cross Catholic Multi Academy Company as part of the Catholic Church in accordance with its trust deed and Articles of Association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents/carers will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The Holy Cross Catholic Multi Academy Company is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round[1]. The admission authority has set the school's Published Admissions Number ("PAN") at 30 pupils to be admitted to Reception in the school year which begins in September 2028.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

[1] This is for admission to the school at the start of the school year in September and not for applications made in-year.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2 & 3)
2. Catholic children who are resident in the parish of St. Thomas More (see notes 3 & 10)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4 & 5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

(i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 8).

(ii) To children of Staff (see note 12)

(iii) Distance as outlined in the Tie Break explanation below

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement from the centre of the child's home address to the centre of the school site. The Local Authority calculates these measurements on behalf of the school using a computerised mapping system. Ordnance Survey supplies the co-ordinates that are used to plot a child's home address and the address of the school. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round[2], you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) if you wish to apply under oversubscription criteria 1 to 3 or 5 to 7. The Supplementary Information Form is attached to this policy and should be returned to the Headteacher (St. Thomas More Catholic Primary School, 120 Knoll Drive, Stivichall, Coventry, CV3 5DE) by 15th January 2028.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child may not be placed in criteria 1 to 3 or 5 to 7, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2028.

Late Applications and Change in Preferences

Late applications and change to school preferences listed on the Common Application Form will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. This can be viewed from the primary school admissions link on the local authority's school admissions website at https://www.coventry.gov.uk/school-admissions

You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill

[2] This is for admission to the school at the start of the school year in September and not for applications made in-year.

health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the school's Local Governing Body (Address: St. Thomas More Catholic Primary School, 120 Knoll Drive, Stivichall, Coventry, CV3 5DE) at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Parents considering submitting a request for their child to be admitted to a class outside of their normal age group are recommended to read DfE guidance which can be found at https://www.gov.uk/government/publications/summer-born-children-school-admission/summer-born-children-starting-school-advice-for-parents

Waiting Lists

In addition to their right of appeal, unsuccessful children will either be automatically placed on a waiting list or given the opportunity to be placed on a waiting list (depending on how the local authority operates). This waiting list will be maintained in order of the oversubscription criteria set out above and ***not*** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term 2029 and will then be discarded.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

Children who are subject of a direction by the Local Authority or Secretary of State or who are allocated to a school in accordance with the Fair Access Protocol take precedence over any child on the waiting list.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made via the Local Authority to St. Thomas More Catholic Primary School. Further information on how to make an in-year application is available on our website at https://www.stm.hccmac.co.uk/page/?title=Admissions&pid=43

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school. Parents must apply for a Reception place in exactly the same way as parents of children not attending the Nursery. All applications will be considered against the oversubscription by the admission authority in the same way regardless of whether the child does or does not attend the Nursery at the time of application.

Withdrawal

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is established that the offer or place was obtained through a fraudulent or intentionally misleading application.

Appeals

Parents who wish to appeal against the decision of the admission authority to refuse their child a place in the school should make that appeal request in writing to the Chair of Governors at the school address. Appeals will be heard by an independent panel.

Please note that parents do not have the right to appeal if their request for their child to be admitted to a class outside of their normal age group has been refused, but the admission authority has offered a place in the normal age group instead.

Further Applications and Further Appeals

Any parent can apply for a place for their child at any time outside of the normal admission round. Parents do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances, the admission authority has accepted a second application from the parent because of a significant and material change in the circumstances of the parent, child or school but have still refused admission.

Notes

(these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

   A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

   For the purposes of this policy, a looked after child living with a family where at least one of the parents is Catholic will be considered as Catholic (see Appendix 1).

3. 'Catholic' means a member of a Church in full communion with the See of Rome (See Appendix 1). This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

   For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

    - A religion which involves belief in more than one God, and
    - A religion which does not involve belief in a God.

    Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:

    (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and

    (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

9. A 'parent' means all natural and adoptive parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

10. For the purposes of this policy, parish boundaries are outlined in Appendix 2 and will be applied to the admission arrangements for 2028/2029.

11. A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week. Parents may be requested to supply documentary evidence to satisfy the admission authority that the child lives at the address put forward by the parents

12. For the purposes of this policy, staff refers to any person employed by the Governing Body of St Thomas More Catholic Primary School on a permanent contract, working a minimum of 15 hours per week and who has been employed by the school for at least two years.

Appendix 1

DEFINITION OF A "BAPTISED CATHOLIC"

A "Baptised Catholic" is one who:

- Has been baptised into full communion (Cf. *Catechism of the Catholic Church, 837*) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome. Written evidence of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. *Code of Canon Law, 877 & 878*).

Or

- Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the *Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church.* Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the *Rite of Reception* took place (Cf. *Rite of Christian Initiation, 399*).

WRITTEN EVIDENCE OF BAPTISM

The admission authority will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of "Baptised Catholics". A Certificate of Baptism or Reception is to include: the full name, date of birth, date of Baptism or Reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of Baptism or Reception.

Those who would have difficulty obtaining written evidence of Catholic Baptism/Reception for a good reason, may still be considered as Baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of Baptism/Reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of Baptism/Reception due to persecution or fear, the destruction of the church and the original records, or where Baptism/Reception was administered validly but not in the Parish church where records are kept.

Governors and Boards of Directors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)

For the purposes of this policy, a looked after child (see Note 2) living with a family where at least one of the parents/carers is Catholic will be considered as Catholic. The carer must forward a copy of their own Catholic Baptismal or Reception certificate directly to the school in order for this priority to be given to the child as failure to do so will result in the looked after child being ranked as a non-Catholic.
